## THE CAUSE:

Most importantly, R Baby's Tennis Tournament enables us at R Baby Foundation to continue improving healthcare for infants in NY and all over the country.

We have life-saving grants that focus on effective pediatric emergency room and neonatal training programs, rapid detection and diagnosis of viruses and other newborn illnesses, innovative research and many more.

R Baby Foundation is a 501(c)3 not-for-profit organization started by Andrew and Phyllis Rabinowitz who lost their 9-day-old daughter after a misdiagnosis of a viral infection in an ER proved fatal. They, with their supportive board, created R Baby to ensure every baby gets their best chance of survival as possible.

Join us to save babies' lives by improving pediatric emergency care.
